

# 2023 HOST grant application 4

## Application for Hands-On Science and Technology (HOST) Grant

The Host program is funded with the generous support of the Vermont Technical Council, the VASE Board of Directors, and generous donors. Since its inception, over \$100,000 in grant funds have been awarded to HOST and SEG (Small Equipment Grant) recipients.

\* Required

These grants are intended to provide funding to support hands-on cooperative learning, preferably project-based, outside of a traditional school classroom setting. This may include science or technology clubs, teams such as robotic clubs, and individual projects -- all located in VT.

19. Project Evaluation \*

- I will submit a brief written final report summarizing project outcomes and future plans. In my report, I will document how funds were used.

Grant recipients may be invited to attend the Spring VASE membership meeting of scientists and engineers to give a presentation on the outcomes of their project. We also request grantee teams to prepare a brief (few minutes) creative YouTube video demonstrating their project and possibly the collaborative team work leading up to its fruition. (Note eligibility for future funding will be influenced by the submission of final reports with expenses, videos, and pictures.)

**What Success looks like-**

1. To be successful, the activity must be primarily hands-on
2. Funds should directly support those doing the learning or making, not to classes, workshops, etc.
3. The activity should support the skills development and/or careers of the participants.
4. The activity should enhance collaboration among different organizations and/or age groups.
5. The activity should have a completion date within one year, and a plan to meet that date.
6. The activity should lead to a result which can be evaluated. Success should be measurable.
7. The organization should use the funds wisely and document how the funds are used.
  
8. Is your project aligned with VT science standards?

20. **Typed Signature of Applicant with applicant's role for the project** \*
